Re: NSW/Victoria Border Entry Permit

Dear ALFA Members – NSW & VIC,

If you are travelling from Victoria to NSW from 8 July 2020 you will require an entry permit.

Those individuals who live on the border, are NSW residents returning home or those who provide critical services which include agriculture and the movement of freight or persons on a commercial basis, have been granted an exemption to travel.

Relevant links to apply for the entry permit:

- [NSW entry permit INFORMATION](#)
- [NSW entry permit APPLICATION](#)

The website is experiencing an unprecedented amount of traffic so please keep trying if unsuccessful.

You will need to provide the following when applying for a permit:

- your personal details (name and date of birth)
- your contact details (residential address, phone number and email address)
- your exemption category
- a declaration on your COVID-19 exposure and overseas travel in the last 14 days
- the address where you intend to stay in NSW

The permit is valid for 14 days from the date of issue and applies to all borders: land, air and sea, as well as river crossings.

Your permit will indicate if you need to self-isolate for 14 days, get tested for COVID-19 or any other conditions.

How to Apply:

1. Before applying for a permit, you must check Victoria's current public health restrictions and comply with the travel restrictions
2. Check the eligibility requirements
3. Select the 'Apply online' button
4. Follow the prompts to complete the online form

After applying, you'll receive an email with your NSW border entry permit.

Please have your permit with you when crossing the border. You should carry any supporting evidence associated with your travel when crossing the border. This might include any correspondence relating to the business you are undertaking. Note: you may be allowed into NSW if you have supporting evidence but have not been able to get a permit, however this is not guaranteed

Kind regards,
ALFA Secretariat
